Dear Robyn,

## PERUWELZ HANDMADE CLAY BRICKS – NZS4455 WIENERBERGER, BELGIUM MANUFACTURER

As requested, I have inspected the clay brick product 215mm x 102mm x 65mm, manufactured in Belgium by Wienerberger. (Peruwelz Range, Tacana). I have also reviewed their Declaration of Performance, dated 01.07.2013, for this product, and can state with confidence, that this brick product will meet or exceed the manufacturing requirements of NZS4455, and is fit for purpose in the New Zealand build environment.

In meeting this standard, this clay brick product is no different from any other clay brick product used in veneers throughout New Zealand under a range of New Zealand standards for veneer applications. It will meet the performance clauses of the Building Code, in particular, B1, B2, and E2.

Regards

John Oliver
