

- |                            |                                |
|----------------------------|--------------------------------|
| 1. ArGeLite tile plate     | 3. Aluminium profile, vertical |
| 2. Horizontal carrier rail | 4. Aluminium cleat             |
| 5. Thermal separation      | 6. Fastening angle             |
|                            | 7. Sheet, canted               |
|                            | 8. Plaster                     |

**Notes**

The details shown are simplified technical suggestions. The planning and realisation of the facade design are carried out building-specifically, and in particular cases are to be adapted to the country building codes and guidelines.
